# Children's Program

For Children Ages Birth to 5th Grade

Sign up the kids for a summer of fun at CCPL! The Oceans of Possibilities theme is provided by the Collaborative Summer Reading Program. Programs are suitable for all ages!

Special Programs  
Tuesdays at 10:00 a.m.

Kids Maker Days  
Thursdays at 10:00 a.m. @ CCPL

May 31st Hooked on Science Kickoff with Jason Lindsey at Fohs Hall

Join us at Fohs Hall for a special program for the whole family! Save the date at Fohs Hall where Mr. Science will wow us with underwater science activities. Find out more about our special guest at [www.hookedonscience.org](http://www.hookedonscience.org)! Jason Lindsey, aka "Mr. Science, with Hooked on Science, is a nationally-recognized STEM educator, science multimedia journalist, digital meteorologist, and author. He's appeared on the NBC Today Show, Fox & Friends, RFD-TV, WeatherNation, and television stations, across the United States, getting America "Hooked on Science."

June 7 Bright Star Theatre Presents: *The Little Mermaid* at Fohs Hall

Families are invited to attend this wonderful performance of a family favorite at Fohs Hall! The story follows the adventures of a mermaid who wishes to become human and win the heart of a human prince. This tale of love and loss explores the difficulty of being yourself in unfamiliar waters.

June 14 Shark Week

This enrichment activity is designed to help kids learn all about sharks. Make an origami shark bookmark, play a shark game called "Jaws of the Shark", and make a 3-D fish bowl for your little paper shark!

June 21 Inflatable Ocean Animals

Imagine and design inflatable ocean animals using recycled materials like chip bags. This activity teaches about the field of Pneumatics, a field of science that uses air under pressure, like that used in deep sea diving. Bring your ocean animals to life!

June 28 Great Tentacles!

Learn all about our many-limbed friend, the octopus! Mimic how they move by using a balloon and other materials, make a pipe cleaner octopus or a socktopus, and find out why these fun creatures have no bones!

July 20 End of Summer Reading Pool Party & Prizes 6:30 to 9:00 pm at Marion Golf & Pool  
Did you attend programs with us at the library and return your reading trackers? Celebrate with us at a pool party for super readers! Fun water games and snacks will be provided. A lifeguard will be present but parents cannot leave children unattended.

June 2 Ahoy Matey! Pirate Day

Make your own pirate hooks, play a pirate hook game, decorate a treasure chest and make your own jewels of the sea!

June 9 Into the Abyss: Ocean Zones

Deep dive into learning with Ms. Melissa to learn about the zones of the ocean from the Sunlight Zone to the Trenches. Watch videos about the environment in each zone, the animals who live there, play games, and make a science journal to take home.

June 16 Seas the Day

Today, learn all about seashells and ocean animals at CCPL. We will paint seashells, sort them, and figure out which ones sink or float. We'll make ocean squish bags and go fishing for ocean animals to learn about!

June 23 Set Sail for an Adventure Back in Time

Learn all about the Titanic, go on a mock dig for fake artifacts from the Titanic and make artifact bottles! **During the program, you'll learn about what artifacts were found, the story about this famous shipwreck, and you'll get to keep your boarding pass.**

June 30 Fin-Tastic Ocean Animals

Make sea creature terrariums using recycled plastic bottles and jars with Ms. Melissa! Make upcycled jellyfish and a water bottle sea creature!

## Pre-School Summer Reading Program

Younger children and non-readers ages birth to 5 can also join summer reading by signing up just like the older kids. The only difference is that parents or caregivers count reading minutes they read with non-readers. Also sign up for **1,000 Books Before Kindergarten**, CCPL's early literacy challenge funded by the Governor's Office of Early Childhood and the Crittenden County Early Childhood Council.

# Teen Program

Tweens and Teens in Middle & High School

Special Programs  
Tuesdays at 2:00 p.m.

Teen Make & Takes  
Thursdays at 2:00 p.m. @ CCPL

July 5 @ 2:00 pm Bermuda Triangle Escape Room You are a passenger on a plane heading to San Juan, Puerto Rico when your plane goes missing. Follow the clues to help your captain navigate the plane safely out.

July 12 @ 2:00pm D&D: The Missing *Misty Mermaid* Players have been hired by the town council of Saltmarsh to investigate the disappearance of some local fishermen who worked on the well-known vessel *The Misty Mermaid*, which went missing in a storm and hasn't been seen since. You are tasked with finding the vessel and its crew.

July 19 @ 2:00 pm The Art of Paper Making Learn about the process of making paper, where the art originated, and different materials used. Paper made today will be used to make the Captain's Log on Thursday.

June 26 @ 2:00 pm End of Summer Reading Bash: Survivor Island You made it! Test your survival skills by building a raft with your team out of recyclables, make tiki torches and create a flag for your team. Then play three games to determine your fate. Do you have what it takes? Snacks and drinks provided to help fuel your fight to survive!

July 7 @ 2:00 pm Marble Mugs Personalize a mug with marbled ocean or coastline scenes. Using a mixture of nail polish and water, dip a mug to make a marbled effect. If you can't stay, pick up a make & take bag with supplies and instructions.

June 14 @ 2:00 pm Here Be Monsters: Creating Your Own Map Learn about cartography and maps of the real world and fantasy worlds, map keys, and the elements used to create a good map. All supplies provided to make an epic map of your room, your city or the world.

**July 21 @ 2:00 pm Making A Captain's Log** Captain's logs and ship logs have a rich history and provide insight into life on seafaring vessels. Use handmade paper to make a log and explore bookbinding techniques.

July 28 @ 2:00 pm Jellyfish Lanterns/Circuits Learn how to bring the wonder of the ocean to your room by making large lanterns for the library and small night lights you can take home using basic circuits and LED lights.

## Adult Summer Reading

For Adults Age 18 & Up

Summer reading is for adults too! If you are a kid at heart age 18 and over, register for the 2022 *Oceans of Possibilities* summer reading program.
