Why join the Friends?

As a member of the Friends of the Crittenden County Public Library, you play an important role in ensuring the community support that grows a public library into the future. Your donation helps fulfill the mission of the library, funding programs that increase public access to all the library offers. Books and DVDs, free computer access and training, seminars and lectures, and family-friendly entertainments are only part of what you can help provide. You help make the “extras” possible, especially for the children.

Your membership is vital to our success. We are a support organization providing fundraising for an exempt organization as defined under KRS 173.310, a public library in the State of Kentucky; EIN 61-0599564.
